OSHA IQ - PUBLIC SAMPLE

WORKPLACE SAFETY RECORD

CHEVRON U.S.A. INC.

RICHMOND, CA, 94801 · Petroleum Refineries (324110) · 3 source location groups in CA

Scope: employer group with the same source name, state and NAICS. May combine locations; not a verified legal entity or an establishment-specific grade. Counts are matched imported records, not proof of complete coverage.

Attention: Accident-related enforcement. 3 inspection(s) at this employer followed a reported accident · most recent Jun 30, 2026. Review these closely.

C
SAFETY GRADE

Average

Risk score **36** / 100
Higher risk than **94%** of peers in this industry

Grade A–F derived from a 0–100 risk score · higher score = worse enforcement history.

Methodology: enforcement-history-v1 / exact-source-location-v1. Last successful import: Nov 08, 2026. OSHA source publication timestamp: unavailable. Peer group: 167 scored of 167 other employer groups; 0 missing scores. Exact NAICS, all imported dates and US jurisdictions. Percentiles require at least 10 scored peers and a scored subject.

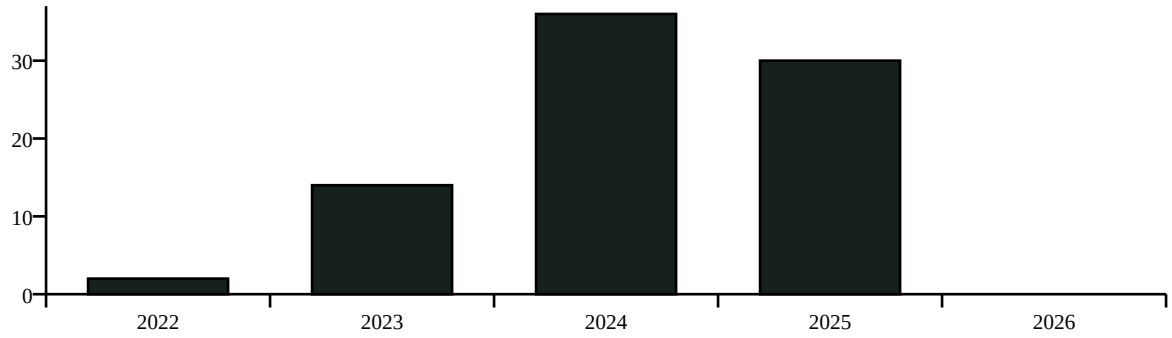

Executive summary

CHEVRON U.S.A. INC. earns a safety grade of C — a risk score of 36/100 (average) — based on 40 inspection(s) and 82 recorded violation(s). The record includes 23 serious citation(s). 3 inspection(s) followed a reported accident (most recent Jun 30, 2026). Enforcement activity has declined over the most recent years.

Enforcement summary

Total inspections	**40**	Total violations	**82**
Total penalties	**$361,620**	Avg penalty / inspection	**$9,040**
Serious	**23**	Willful	**0**
Repeat	**0**	Repeat rate	**0.0%**
Workers exposed (cited)	**4,136**	Locations	**3**
First inspection	**Jan 12, 2022**	Last inspection	**Oct 07, 2026**

Violations per year

Industry benchmark (NAICS 324110)

Based on 168 employer groups; 168 scored. Exact NAICS, all imported dates and US jurisdictions.

	This company	Industry median/avg
Risk score	**36**	0
Violations / inspection	**2.05**	1.26
Penalty / inspection	**$9,040**	$6,841

Recommended focus areas

Prioritize auditing 5162 — Emergency eyewash and shower equipment (Cal/OSHA); 5194 — Hazard communication (Cal/OSHA). These account for 10% of this employer's citations and are the highest-leverage areas to address first.

Most-cited standards

Standard	Description	Citations	% of total
6151	—	9	11.0%
5162	Emergency eyewash and shower equipment (Cal/OSHA)	5	6.1%
5157	—	4	4.9%
3308	—	4	4.9%
5142	—	3	3.7%
5194	Hazard communication (Cal/OSHA)	3	3.7%
5141	—	2	2.4%
2944	—	2	2.4%

Inspection history

Most recent inspections, each with its citations, penalties (initial → current), severity, and abatement status.
